

How to find us

main street from Alba

Follow the main **road to Barolo**. In the valley before Barolo, leave main road direction **Gallo** Grinzane.

In Gallo follow signs direction **Valle Talloria / Sinio** (do not go up the hill to Grinzane Cavour)

Before Valle Talloria (only 1/4 of a mile after turning half right direction Valle Talloria, shortly after leaving town of Gallo) after soccer field on left hand side turn **left into Via Carzello** (there are no LA SPINETTA signs) if you see a winery sign for Giordano winery you are too far and need to turn around!!!!

Follow Via Carzello for another 1/4 of a mile, after the second house on left, when an ugly fence ends **turn left into dirt road** (little fish pond will be on your right).

The big yellow building is LA SPINETTA Campè.
